Ask to see a badge

Protect yourself from imposters. FPL employees are regularly in neighborhoods for many good reasons, including helping customers with home energy-saving programs and maintaining power lines. However, we occasionally hear reports of people posing as our employees. Remember, if anyone comes to your door, always ask to see their badge. Ask the Energy Expert

Q If I close the air vents in empty bedrooms, will I save money on my bill?

- Merlyn P. from Port St. Lucie

A Closing air conditioning vents in unoccupied rooms will not lower your electric bill. In fact, the opposite could occur. Find out why:
